Ambassadors

LARAMIE COUNTY FAIR

Charlotte Ehlman

Hello! My name is Charlotte Ehlman and I am a Junior at Cheyenne East High School and the Secretary for the Cheyenne Frontier FFA Chapter. I am enrolled in multiple college classes as well as being a full time high school student. At Fair, I show several pieces of art work based off of wildlife found around Wyoming. When I'm not participating in FFA or Fair, I am reading, enjoying the outdoors, or working at a daycare. When I graduate high school, I plan on getting my Bachelors of Science in Nursing and working in Pediatrics. I am very excited to participate in the 2024 Fair Ambassador program this year!

Hayden Hubbard

Wow Laramie County! I am Hayden Hubbard and I am a Junior at Burns High School. I am involved in a variety of different activities ranging from serving as an FFA chapter officer, 4-H club president, being involved with my church, and showing pigs and cattle at the county and state fairs! When I'm not in the show ring or giving an FFA speech, I'm out camping and fishing! After I graduate, I hope that I can serve as a Wyoming FFA State Officer and pursue a career as an agriculture education teacher. I am very excited to serve as a Fair Ambassador this year and I look forward to connecting with you all at Fair!

Brendan Nagy

Hey everyone, I'm Brendan Nagy, and it's a true honor to be a Laramie County Fair Ambassador for 2024. As your Fair Ambassador, my top priority is ensuring every visitor has an unforgettable experience. Currently, I wear multiple hats as the President of the Frontier FFA Chapter at East High School and a proud member of the Outlaws 4-H Club. You'll catch me at the Laramie County Fair showing market turkeys for both FFA and 4-H, as well as participating in static exhibits. Being a role model for my peers and younger members is something I take seriously. I'm deeply committed to our community, and I'm determined to make your Fair experience exceptional as your Fair Ambassador. Let's make some memories together!

Blair Sanchez

Hi, my name is Blair Sanchez. I am currently president of the Junior Leaders 4-H club, 2023-2024 Burns FFA Vice President and Co-Owner of Spy Club Lambs and Goats. I have always been heavily involved in Fair showing cattle, swine, horses, sheep and goats. I am very invested in livestock judging and plan to go judge after high school. I want to major in either animal science or radiology. My favorite part about county fair has to be show day. I am extremely excited to be your Laramie County Fair Ambassador.

Emma Valois

Hey! My name is Emma Valois, I am 17 and a junior at Central high school. I am a member of Clover Club and High Plains FFA. I have shown horses most of my life and started showing at Fair about three years ago. Although I love showing horses, this year I will be showing a market steer. After high school I hope to move to Texas and get a business degree while getting my real estate license. I am so excited to be representing the Fair and getting to know the people that enjoy it as much as I do.

Within this Fairbook, you will find three sets of Rules and Regulations setting forth these Organizations’ individual guidelines that need to be followed depending on what show you may be involved in at the time. Please be cognizant of what Organizations’ show you are participating in and what Rules, Regulations, procedures, and enforcements you may need to follow. Please be aware that the Laramie County Fair cannot and will not enforce any rules or regulations involved with 4H or FFA shows.

3. Judges will not award prizes to any exhibit/animal that does not meet minimum qualifications of the division in which it is entered. It is the intention of the Fair Staff that no premium or distinction of any kind be given to any animal or article that is not deserving. The rule will be adhered to whether or not there is competition. The awarding of a trophy for those classes so designated is at the discretion of the judge of that class. When there are fewer than three exhibits in any class, some classes can be combined and the judge will award whatever placing the exhibits deserve on the basis of quality. When there is no competition between exhibitors in a class, only one award will be given. No exhibit will be eligible for more than one premium in any one class.
4. No premium shall be awarded, nor will any premium be paid on any animal or article not mentioned or classified in this premium list.

7. Exhibitors who receive premiums above the reporting limits set by the IRS will be required to complete a W-9 prior to receiving their premium check. A Form 1099-MISC will be mailed to you for your taxes.
8. If multiple entries are submitted in departments, divisions and/or classes that only allow one entry, then the highest placement will be paid a premium and all others will be disqualified from a premium payment.
9. Premium checks must be redeemed by December 31st of current fair year to avoid forfeiture.
10. All exhibitors requesting consideration for adjustment of a premium must submit their request online or by mail on a premium adjustment request form. Mailed premium adjustments must be post marked by September 30th of current year. Neither adjustment requests nor reissue of unreceived checks will be considered after September 30th of current year. Requests made by phone will not be accepted.

G. Animal and Livestock Policy- These policies encompass 4-H, FFA, and Fair as a whole

1. All livestock, unless otherwise stated under the specific department, are required to pass a Veterinarian inspection before unloading animals on grounds.
2. Any animal deemed ineligible to show may not remain on the fairgrounds.
3. All Veterinarian decisions are final and may not be protested.
4. If the Veterinarian is unable to make a determination on animal eligibility, Events Director, or designee, reserves the right to declare an at-risk animal ineligible out of precaution for the health and safety of the exhibitors and other livestock.
5. All market animals will enter in the appropriate Market Animal Division. 4-H and FFA designations, breeds, and weights will be determined at the weigh-in. Each market animal exhibiting/showing must have an entry in ShoWorks and the correct ear tag numbers listed. Proof of ownership may be required.
6. All Market animals exhibiting in the Laramie County Fair will be tagged at the centralized tagging events with a Laramie County Fair approved RFID tag. In addition to the approved RFID tag, we will require an additional form of identification for each animal exhibiting. If there is no additional form of identification in/on the animal's ear on the day of tagging, we will provide the animal with an additional tag.
7. All livestock will be checked in by the barn superintendent and assigned stalls. No animal will be stalled without first checking with the barn superintendent. Closing time for check-in and weigh-in for all livestock areas will be in accordance with the Fair schedule.
8. All animals must be declared 4-H or FFA before stepping on the scale.
9. Once an animal and/or exhibitor leaves the weigh-in area, no changes will be made to their weight, breed classification, market/breeding designation, or 4-H/FFA status.
10. No livestock will be re-weighed.
11. 4-H and FFA exhibitors are responsible for complying with all State Brand Laws and all Wyoming animal health laws.
12. No animal or exhibit may be entered by more than one exhibitor within any given year.

13. No animal or exhibit may be shown in both FFA and 4-H within any given year.
14. No animal can be shown in both Market and Breeding in the same year.
15. All entered animals must be halter broken and manageable by the exhibitor. Any animal that is considered a hazard to exhibitors, spectators, or others will be excused from the show and the grounds.
16. Inhumane treatment or abuse of animals will not be tolerated. This includes dragging, beating, kicking, spanking, slapping or anything that causes an audible noise when done to the animals while in or out of the show ring. Exhibitors will receive one warning. Second offense will result in automatic disqualification of exhibitor and all entries for that species with no recourse. This will be a Fair wide rule and will encompass every show.
17. The 4-H Grand Champion and Reserve Market Beef, Sheep, Swine and Goat will compete against the FFA Grand Champion Market Beef, Sheep, Swine and Goat for the combined Overall Grand Champion Title.
18. Any animal exhibited in the 4-H or FFA Divisions must have been owned by the exhibitor on or before the date specified in the corresponding 4-H or FFA rules.
19. Any act of artificially filling animals internally will not be tolerated. This will include stomach pumping, drench tubes, or any other esophageal method. Violation of this rule will result in forfeiture of premiums and disqualification of animal and exhibitor without recourse.
20. Drench guns are permitted.

Ownership Deadlines:

All livestock must be owned by the individual members in compliance with the following dates:

- a. Market Beef– February 1st
- b. Dog ID Forms– May 1st
- c. Market Sheep, Goats, & Swine– June 1st
- d. Horse Safety Certification Completion– Please see Horse Section, dates posted in the 4-H newsletter and emails.

21. All Sheep and Goats must have a USDA/APHIS Scrapie Identification tag in place prior to tagging.
22. In the interest of ensuring the maximum possible fire protection rating, the Laramie County Fair will require wood shavings as the primary bedding material for animals exhibited at the Laramie County Fair. Poultry and rabbits without trays at the bottom of the cage must have bedding on the ground under the cage. However, because of special health considerations, ONLY Dairy Goats and Breeding Sheep will be permitted to use the bedding material of their choice. All other animals will be bedded on wood shavings. While the Laramie County Fair does provide some bedding, exhibitors need to provide additional bedding if the bedding that is provided is not sufficient.
23. All livestock must be kept in assigned stall areas while on the fairgrounds. Stall cards for all livestock, poultry, and rabbit exhibits must be in place and properly filled out. Replacement cards will be made available for those that have become torn or soiled. Failure to abide by this policy will result in forfeiture of premiums.
24. With the exception of designated cattle tie out times of 7:00 pm- 9:00 am, cattle are not allowed to be taken to trailers or other areas away from the cattle barns/chute area at any time.

H. Laramie County Fair Fitting and Grooming Policy

1. Exhibitors must accompany, care for, and exhibit their own livestock. An Exhibitor is expected to take care of and groom/fit their own animal. However, in the interest of safety and education, an Exhibitor may be assisted both at home and at the Laramie County Fair. Assistance is defined as a learning situation where the person doing the assisting is educating the youth member as to the technique in fitting and showing.

I. Camping

6. No alcohol is allowed in the barns and must be contained within 50 feet of the campground.

K. Superintendents

1. Barn and Department Superintendents, as Laramie County Fair representatives, shall have charge of the department assigned to them. The Superintendent will have responsibility of the stalls, pens, or display spaces in their department. Arrangement of pens, stalls, and exhibit space will be under their supervision. It shall be the duty of each Superintendent to inform the judges, in their department, of the policies governing the shows and awards before judging begins. Each Superintendent is responsible with caring for and posting the judging books of their department. They must see that all placings and awards are duly and properly entered and awarded. It is the responsibility of the Superintendent to ensure that upon completion of the show/contest that the original judging book is immediately submitted to the Fair Office.

L. Herdsmanship

The purpose of Herdsmanship is to encourage exhibitors in developing and maintaining clean and presentable stalling areas as well as demonstrating good animal husbandry and welfare. It also promotes pride and enthusiasm for the industry and rewards those exhibitors that achieve this purpose. Herdsmanship duties are the primary responsibility of the livestock exhibitor.

Herdsmanship Awards: 100% in any species=\$25; 95% in any species=\$15; 90% in any species=\$5

There will also be a "Supreme Exhibitor" winner of each species that will receive a banner. This will be given to the exhibitor that goes above and beyond in Herdsmanship.

Judging: Judging will be completed by the Herdsmanship Superintendent along with the assistance of a Herdsmanship committee made up of 2 additional members. The Herdsmanship contest will begin at the time the division of animals is to be in place and ends when animal exhibits are released. Judging for Herdsmanship may take place any time between 7:00 am and 9:00 pm.

Herdsmanship will be judged on the following criteria:

Animals: (15 Points) Clean at all times with proper grooming, feed, bedding, and care apparent, properly penned and secured. Appear healthy and free of disease or insect infestation.

Stalls: (25 Points) Clean and neat, clean bedding, full water bucket, feed and feed pans and buckets clean and in place, no excessive manure in stall area, stall cards/exhibitor signs clearly in place. Project presentation boards, posters, etc. are highly encouraged. This is your opportunity to educate the public about your project!

Tack/Feed Area: (10 Points) Kept clean and neatly arranged, grooming and tie-out areas kept clean, personal items out of sight or neatly stored.

Alleyways: (25 Points) Exhibitors designated alleys and commons areas kept clean, free of equipment, loose dirt and dust kept under control with proper sweeping and/or sprinkling, no manure in piles.

Exhibitors: (25 Points) Proper courtesy and conduct shown by exhibitors at all times and in all places including with the public and other exhibitors. All exhibitors are expected to participate in Herdsmanship.

Any animals not meeting general health or Herdsmanship standards can/will be identified to the species Superintendent. At which point, a decision will be made on whether the animal(s) will be removed from the grounds.

We will be requiring a \$50 deposit per stall for use of the horse stall building during Fair. If your pen is left clean, you will receive your deposit back. If your stall is left dirty, your deposit will be kept. Deposit may be paid by only cash or check.

FFA GENERAL RULES & LIVESTOCK RULES

FFA Advisors:

Tommy Cress, Cheyenne- High Plains FFA

Will Luna- Burns FFA

Joe Allen- Frontier FFA

Sally Wheeler- Pine Bluffs FFA

Brian Cox- Big Country FFA

Megan Barton- Horse Creek & Prairie View FFA

1. All exhibits must be owned by members in good standing from a Laramie County FFA Chapter. All exhibits must be taken possession of and student will provide daily care of his/her project. Proof of ownership may be required. Ownership of lambs and swine must be declared by June first of current year. These exhibits must be worthy of competition. It shall be at the discretion of the judge whether to award premium, a ribbon only, or no award at all. All agronomy entries exhibited for competition must have been grown by a member of his own project or be prepared as a supplement practice under the FFA advisor's supervision.
2. **Please see Fitting Rules and Weight limits page for that information.**
3. All animals shown in the FFA section of the Laramie County Fair market classes must be eligible for the Kiwanis Sale of Champions and must have been weighed and tagged prior to being shown.

USDA WHOLESOME MEAT

The Laramie County Fair endorses and supports the USDA Wholesome Meat Act and insists exhibitors comply. Exhibitors of all market animals (beef, sheep, swine, market goats, poultry, and rabbits) must certify their compliance with manufacturer's pre-market withdrawal periods specified for any and all medications, drugs, pesticides or feed additives administered. The use of any non-approved chemical or improper use of approved chemicals is strictly prohibited. Certification will be requested upon arrival at weigh-in at the County Fair.

All "Wholesome Meat Assurance Act" rules and regulations must be adhered to. The seller will be personally responsible for any animal which may be condemned because of chemical misuse. Any cost to prove or disprove the use of medications, tranquilizers, and/or injectable substances will be borne by the exhibitor. If proven guilty, the exhibitor will be permanently barred from the livestock sale.

KIWANIS LIVESTOCK SALE

The Kiwanis Sale will consist of the following categories: Market Beef, Market Swine, Market Sheep, Market Goats, and Market Poultry. Any member may sell up to 2 animals, but they must represent different categories as outlined above. The sale will consist of 10 market beef, 10 market swine, 10 market sheep, 5 market goats and 5 market birds. In the beef, swine, and sheep categories, the Champion and reserve Champion in each of five weight divisions will be included in the sale.

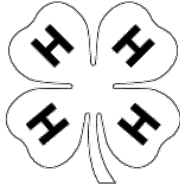

- o In the event that there are less than thirty head of a species, classes will be divided accordingly, but sale slots will be selected by using a top overall animal ranking for sale order and qualification. If this occurs, we will select a top ten overall, or until the required number of members have qualified for the sale. This would only apply to beef, swine, and sheep if we have less than **thirty** head for that species. For goats the top **five** overall will be selected using the same format regardless of the number of entries. When an animal is selected the next highest placing animal from that class will come out for consideration for the top ten. Example: There are three classes the top two from each class will come out for the overall. The champion is selected from the 2nd class, the third place from that class will come out and be in contention to be selected. If the 2nd place in that class is selected next the 4th place will come out for contention. All animals from one class could qualify for a sale spot when selecting an overall ranking. You may win a class and the judge may not pick any from that class for the overall ranking, so you don't make the sale.

The Champion Market Pen of 3 Broilers/Fryers, Champion Market Turkey, Champion Market Duck, and Champion Market Goose (less than 26 weeks) will be included in the sale.

1. For shows with 30 or more head: The first duplication follows the Champion, the second duplication will follow the Reserve champion, and the other duplications will start with the heaviest division and move in order to the lightweight division. However, no fourth place division animals will sell before the third place division animals are sold. If the Champions and Reserve Champions come from that same division, only the first duplication will come from that division. The judge will determine division placing from class winners.
2. In situations where a member qualifies more than one animal per category, the following duplication process will be used: In divisions with more than one class, all 1st and 2nd place class winners will come together and be placed within the division. This division placing will then be used to determine duplicates for the sale. Sale Order: First duplication follows the champion; second duplication will follow the reserve champion. Other duplications will start with the heaviest division and move in order to lightweight division, however, no fourth-place animals will sell until all third-place animals are sold. If Champions and Reserve Champions come from the same division, only the first duplication will come from that division.
3. FFA Exhibitors will complete Kiwanis sale forms immediately following the selection of the overall champions of each market show.
4. Members qualifying more than 1 animal per category are required to sell the highest placing animal. Overall Champions and Overall Reserve Champions will be sold before Division Champions and Division Reserve Champions. Division Champions will be sold before Reserve Division Champions.
5. **If a member qualifies more than two species, the member is required to sell any Grand Champions overall first, followed by any Reserve Champions overall. If a member qualifies three species and are not Grand or Reserve overall of those species, the member may pick the two animals they wish to sell. If the member qualifies two head in different species, they will sell those two. In the event a member qualifies an animal through the duplication process as their third animal, the qualifying animals will sell over the duplication animals. If a member qualifies with all duplicate animals, they can choose which animals they want to sell. A member may only sell two animals and they must be from different species. All poultry and fowl are considered one species.**
6. The duplication process for poultry will be goose, turkey, duck, chickens. If the same exhibitor qualifies in more than one category they will be required to sell the category that comes first in this order.

THIS IS A MARKET ANIMAL SHOW. NO TRADING OR SUBSTITUTION OF DIFFERENT ANIMALS AFTER THE SALE WILL BE ALLOWED. ALL ELIGIBLE, HIGHEST PLACING ANIMALS WILL SELL.

 - Judging will be on the basis of exhibitor's ability to present their animal for judging including the movement and positioning of the animal, as well as condition and cleanliness of the animal as it relates to being ready for show. Mannerisms, conduct of the showman, and industry knowledge are also included.
 - All showmanship classes must be pre-entered.

FITTING RULES:

- The following are the fitting rules for all 3 organizations.
- If there are any questions about the following rules, please contact a member of that organization.

Fair Fitting rule- Applies to Born and Raised shows, Breeding shows, and Open shows:

- Exhibitors must accompany, care for, and exhibit their own livestock. An Exhibitor is expected to take care of and groom/fit their own animal. However, in the interest of safety and education, an Exhibitor may be assisted both at home and at the Laramie County Fair. Assistance is defined as a learning situation where the person doing the assisting is educating the youth member as to the technique in fitting and showing.

4-H Fitting rule- Any show that is labeled as a 4-H show (ex. 4-H Market Goat show):

- 4-H members are expected to perform the majority of the care and grooming of their animals at Fair. In the interest of safety and education, a member may be assisted by any Laramie County 4-H/FFA member, family member, Educator/FFA Advisor, or Laramie County 4-H screened Volunteer Leader. Family members are defined as: mother, father, grandparents, siblings, aunts, uncles, and any step thereof or any person who stands in as legal guardian. Please remember that Fair is an educational experience and youth should be involved in the process.

All violations or protests must be reported to a 4-H Educator or specie superintendent before an animal enters the ring.

In the event of violation of the above, consequences will include:

- 1) Violator may be asked to leave the show
- 2) Dismissal of Exhibitor from the show.

FFA Fitting rule- Any show that is labeled as a FFA show (ex. FFA Market Goat show):

- FFA members are expected to take care of, groom and fit their own animal(s) at Fair. In the interest of safety and education, a member may be assisted by other Laramie County 4-H/FFA members/advisors, as well as immediate family. Immediate family is defined as parents, grandparents, sister/brother - only. Please remember that Fair is an educational experience. The exhibitor is expected to perform the majority of fitting procedures on their own.

FFA advisors will monitor fitting and preparation prior to the start of each show and will deal with any violations at the time. Any protests must be reported to an Ag teacher before the animal enters the ring.

In the event of violation of the above, consequences will include:

- 1) Violator may be asked to leave the show.
- 2) Dismissal of Exhibitor from the show.

4-H LIVESTOCK SALE

Chairman: Lance West

General Information:

Each market beef, sheep, goat, poultry, rabbit, and swine exhibitor may sell one qualified animal. Only 4-Hers who have two Grand Champion 4-H and /or Reserve Grand 4-H Champion Animals may sell two animals in the livestock sale. (For example, if a 4-H member has the Grand Champion 4-H Steer and the Reserve Champion 4-H Lamb, he/she may sell both animals). (Member who has the Grand Champion 4-H Turkey and a breed champion steer may only sell one animal). Animals consigned to the sale will sell only one time.

Sale order is determined by the sale committee and published prior to the sale with rotation of species and placings. Champions will sell first. Any exhibitor planning on donating portions or whole proceeds to charity, scholarship, or similar causes must notify the 4-H Sale Committee prior to the sale. The Sale Committee will place those animals in the sale order appropriately and may not sell where the animal ranked.

The animal sold in the sale must be the animal delivered to the buyer/processor. If a member wishes to keep an animal, they should not enter it into the sale. Exhibitors may not buy back their animal at the time of the sale; **nor shall they ask their buyer for their animal to be donated back to them. Violations may disqualify the exhibitor from participating in future Laramie County 4-H sales.**

General Rules: Exhibitors will be ineligible to sell if the following rules are not adhered too.

- Exhibitors planning on selling the 4-H Livestock Sale must attend one of the 4-H Livestock Sale Exhibitor meetings published in the Laramie County Fairbook schedule after arriving to Laramie County Fair.
- Exhibitors must complete applicable age division Quality Assurance Training provided by Laramie County 4-H prior to the sale.
- Exhibitors must accurately complete a sale consignment card prior to the sale. Cards will be available upon check in a Laramie County Fair.
- Exhibitors must complete a thank you card. It is understood that exhibitors may choose to send a personalized thank you card following the sale but it is required to complete a general thank you card prior to the sale for buyers.
- Exhibitors must have an official photo taken by the photographers on site with their designated sale animal. At the time of the photograph, exhibitors must bring their sale consignment card to the photographer. An official stamp will be placed on the card for later verification that the photo was completed.
- Exhibitors must turn in their stamped sale consignment card and general thank you note by 5:00 pm on Thursday, August 8th, 2024, to the 4-H Office at Archer. The 4-H office will provide exhibitors with a receipt that the consignment card and thank you note were turned in.
- Sheep and Beef exhibitors must turn in ownership papers to the brand inspectors Friday, August 9th, 2024 (location will be announced).
- Exhibitors are required to present their animal in the sale ring during the sale unless the exhibitor has been approved by the 4-H Sale Committee prior to the sale to be absent.
- Animals will be sold by the head rather than by the pound. According to standard auction procedure, a commission will be deducted from each consignors check to cover the cost of advertising, supplies, recognition of buyers and volunteers, etc. Commissions are:
2% Beef 5% Goats, Sheep, and Swine 10% Poultry/Rabbit
- Animals may be disqualified from the sale if the official judge, veterinarian, or committee recommends disqualification based on market readiness, health, or sale rule infraction.
- The 4-H Sale Committee will make arrangements for the delivery of the animals not reserved for State Fair following the sale. Every precaution will be taken for safe delivery; however, liability is changed to the buyer when sold.
- State Fair Animals - once an animal is sold at the sale, it becomes the 4-H member's responsibility to transport State Fair animals to the designated processor on the predetermined dates following State Fair. Delivery dates will be published in the sale book on sale day. All resale animals reserved for State Fair are to be delivered to LCCC the day they are released from State Fair.
- Any question about the 4-H Livestock Sale after fair should be directed to the sale chairman and the 4-H Educator.

DOG SHOWS

DIVISION: 4-H DOGS

DEPARTMENT: DOG SHOWS

DIVISION #1

4-H members only

Superintendent: Zach Mason- 307-203-9555

Rules and Regulations

- 4-H members qualify to enter the State 4-H Dog Show by showing in their county 4-H dog show AND:
- **Showmanship** - youth competed in showmanship at county fair or the county 4-H Educator approved the youth.
- **Obedience** - received a qualifying score of (170) or above.
- **Rally** - received a qualifying score of (70) or above.
- **Agility** - received a qualifying score of (75) or above.
- 4-H members participating in the dog project may use co-owned dogs (owned by the immediate family). The member must have sole care, training and showing of that dog for the current 4-H year.
- **Ownership:** The dog lives in the same residence with the 4-H member and is owned by the 4-H youth or immediate family member (grandparents, mother, father, brother, sister). Any other living situation must be approved by 4-H Educator.
- **Co-Ownership:** Ownership ID Sheets extend beyond the family with two or more names on the papers to prove co-ownership exists. One of the names on the ID Sheet must be the 4-H youth or an immediate family member.

- **Dog Training Contract:** The 4-H member may enter into an agreement to train someone else's dog in situations that may benefit the member, the dog or both. This arrangement is used for families with the inability to own a dog. **The training contract should not be used as a substitute for normal dog ownership.**
- All dogs must be at least 6 months of age by May 1st to compete at the County 4-H Dog Show and 1 year of age by May 1st for agility classes. Dog ID forms should reflect the age of the dog.
- Certificates for dog entries must show current immunization as per state veterinary guidelines. **No animals will be allowed to exhibit at the Wyoming State Fair without a valid Animal Health Certificate.**
- **All dogs must be on leash (excluding competition) and under control at all times. County Fair rules prohibit any dog from being any place but the site of the dog show.** Once the 4-H dog show is completed, all dogs must be removed from the fairgrounds.
- Vicious dogs will be dismissed from the ring and must be removed from the premises.
- Bitches in season will be allowed in classes. However, they will run at the end of each class.
- Spayed, monorchid, or neutered dogs may be shown without judging discrimination.
- Dogs must be clean and well groomed.
- The show committee reserves the right to ask anyone violating these rules to leave.
- Entries for Rally classes and Agility classes will need a current Wyoming 4-H Jump Height card at check-in to verify correct class entries.

Obedience

- A 4-H member may compete in only one obedience class per dog with a total maximum of two entries (dogs). Their first dog is referred to as the "A" dog. The other is referred to as the "B" dog for class entries.
- The first-year class is for members who are in their first year of the dog project, not the first year with a new dog. It is designed as a training class for members who do not feel competent to start in the On Leash class. Members may compete in the first-year beginner novice class only once.
- An exhibitor who competes in the A groups with their first dog stays in the A groups with that dog for each level. The same is true for the B groups and levels. A member advances from On Leash A to Novice A. Same applies for moving in B classes.
- B Groups are classes for all additional/second dogs entered after first dog.
- A 4-H exhibitor with a dog shown previously in obedience classes by another 4-H member, or a dog that has a title from another organization or has three qualifying scores from the designated annual county 4-H show must show the dog by these guidelines:
 - Junior and Intermediate age exhibitors may move back or down one level
 - Senior age exhibitors must show the dog at the highest level the dog has achieved
- A dog receiving a qualifying score of at least 170 points at county fair may advance the following year to the next higher class but must advance after receiving 3 qualifying scores. Once the higher level of obedience is selected for the dog, the member may not drop back down to the lower level with the same dog.
- Score Sheets: The Wyoming 4-H dog score sheets were designed for the benefit of 4-H members. They are intended as guides for judges. Judges use their discretion in deciding the seriousness of errors.
- All dogs must enter/leave the show ring on a leash.
- Dogs soiling or urinating in the ring during judging will be disqualified and receive no score.
- Bait and/or toys are not allowed in obedience competition.
- Males and females will be shown in the same class. Females in heat will be shown last in the class and must be kept away from the obedience ring until call time.
- Class A and B may be combined at discretion of Superintendent(s) based on entry numbers.

4-H STATIC EXHIBITS

Kristi Nagy, 4-H Educator

Dawn Sanchez, 4-H Educator

Deb Dolph, Static Superintendent Supervisor

4-H Office 307-633-4383

Please see 'FAIR SCHEDULE', 'GENERAL RULES AND REGULATIONS' and 'AWARDS' in the front of book for more information regarding entry deadlines, dates, additional rules and premiums.

- It is highly recommended that a Skill Summary Statement be attached to each entry. This can include a brief explanation of your project to help the judge when assigning a ribbon placing. Points to consider may include: process, tools used, skills learned, goals achieved, additional help from others. Due to the absence of interview judging at State Fair it is highly recommended that this information be attached to all State Fair qualifying items. Food & Nutrition and Food Preservation projects have required information that must be attached to each entry. Details can be found in that project section. Contact the Extension Office for examples of skill summary cards.
- Posters, pictures, artwork, and photography exhibits should come with a method for hanging them on hooks attached to pegboard following the WY 4-H Photography & Visual Arts Display Guidelines Brochure. If the items cannot be hung, they will be displayed on the floor or table as space allows. Items not displayed according to these standards may not be eligible for the Wyoming State Fair.
- Display boards or poster boards must be able to stand on their own on a table.
- Any exhibit that puts the safety of others at risk of injury or harm, as deemed by the 4-H Office, may not be allowed to be publicly displayed and/or judged.
- Oversized exhibits will be displayed as space permits.
- Static exhibits are judged by an interview judging process with an emphasis being placed on the learning process of the project area. Exhibits that are judged without the interview judging process are placed at the judge's discretion.
- Rules - It is the responsibility of the exhibitor/family to know and understand all rules and regulations. Unless specified, exhibits must conform to the same rules and regulations that apply to other departments at County Fair.
- Entries must be exhibited at County Fair to be eligible for the Wyoming State Fair. It is the Responsibility of the 4-H member/family and to enter exhibits/entries in the correct classes. Incorrect entries can be disqualified. **Contact the 4-H Office if you have questions about classes.**
- The Laramie County Fair or County extension staff will not be responsible for the loss of or damage to, any exhibit or animal.
- 4-H static exhibits are judged using the Danish system of placing (purple, blue, red, white). Entries winning a blue or purple will be eligible for Wyoming State Fair.
- In June, 1982, the 1940 agreement between the Wyoming State Department of Vocational Education and the Wyoming Agricultural Extension Service involving 4-H and FFA youth was reviewed and amended to read as follows: ***"If a boy or girl is enrolled in both 4-H and Vocational Agriculture or Home Economics, work done must be different in each. For Example: 4-H and FFA members may carry the same type of supervised occupational experience program in vocational agriculture per as a 4-H project, but the exhibit must be different in each. The FFA exhibit must come from the supervised FFA program and the 4-H exhibit must come from a 4-H project."***
- A project done in school should be eligible for display or show through one, but only one organization.
- Members are allowed 8 entries in each class with no like items. Like items will be disqualified. Multiple entries can be entered in each class as long as the projects are distinctly different, however you must enter these classes multiple times on your fair entry form. Example: A Jr. aged division member is bringing cucumbers, beans, and tomatoes, to be entered for all three vegetables, this member must have three entries on their fair entry form for H-29-1. If you have questions please call the fair office, or the 4-H office.
- Interview judging may occur on three items per youth per project area. Additional items in that area will be set aside and judged later. For example, if an exhibitor has six photos, three photos (from any combination of classes) will be interview judged and the remaining will be set aside and judged later.
- All static exhibits going to State Fair will be transported by extension office unless prior arrangements are made with the 4-H Staff. If a member's item is fragile or breakable it is that member's responsibility to pack this item to go to State Fair on Monday, August 12th, 2024 between 7:30-9:00 AM. Multiple similar exhibits from the same exhibitor or exceptionally heavy or large items will be transported at the discretion of the Extension Office Staff. The Wyoming State Fair, State 4-H Office, and the County Extension Staff will not be responsible for the loss of or damage to, any article or animal. Photography and Visual Arts participants will be limited to taking 4 items of each project to Wyoming State Fair. After interview judging the participant will pick which entries they want to enter at Wyoming State Fair. Entries not chosen must be picked up Saturday, August 10th.

- Multiple entries can be entered in each class as long as the projects are distinctly different, however you must enter these classes multiple times on your fair entry form. Example: A Jr. aged division member is bringing cucumbers, beans, and tomatoes, to be entered for all three vegetables, this member must have three entries on their fair entry form for H-29-1. If you have questions please call the fair office, or the 4-H office.

The County 4-H Office reserves the right to disqualify and dispose of any project considered a health/safety hazard or potential health/safety hazard.
- For additional 4-H specific rules and recommendations for County Fair and State Fair please refer to the County Fair Edition of the 4-H Newsletter or the 4-H Update Emails.
- **To verify entries at your event please bring a copy of your ShoWorks online entry receipt or a copy of your verified paper entry to all contests and events.**

All fleeces shall be rolled cut side out in a manner to allow their being handled without falling apart. It is recommended that exhibitors pack fleeces rather loosely in clear plastic bags so as not to impair their character or attractiveness.

Each bag of fleece must have an entry tag securely attached. Fleeces that are available for sale need to be marked as such with all pertinent information (name & phone number of owner, total sale price and weight of fleece) on a securely attached card AFTER judging. Release of fleeces will be when entries are being released the last Saturday with entry tag stub and only then the sale can be completed. The Fair Staff and Superintendents will not take responsibility for missing fleeces; sales gone wrong or left behind fleeces after pick-up deadline.

Prizes Sponsored for Best of Show and Open Artistic Arrangement

FLORICULTURE GENERAL RULES:

- Three entries per class maximum.
- ALL FLOWERS EXHIBITED MUST HAVE BEEN GROWN IN WYOMING BY THE EXHIBITORS No silk or plastic flowers. The superintendents in charge of this department shall have the right to remove, at any time, from display, exhibits or parts of exhibits that have become unsightly. However, exhibitors are welcome, and encouraged, to replace any wilted or damaged flowers after the first day. These changes will aid in keeping the entire floriculture department more attractive for the entire duration. Flowers should be well preserved in transit. For longer lasting display, flowers should be cut early in the morning, or after sundown the previous day, with the longest stems possible, including the foliage. Place in cool area, in tepid water, for a minimum of 4 hours (preferably overnight), to completely harden. A sharp knife is best for cutting, making a diagonal cut on the stem (to allow as many plant cells as possible to be exposed) thus permitting the flowers to absorb a great deal of water.
- Entry tags must be securely attached to each exhibit by the exhibitor before exhibits are entered. **Any method may be used to attach tags to entry as long as the tag remains flat and QR code is visible. Rubber bands are prohibited.**
- Exhibitors must furnish containers in proportion to size of bloom. Containers **for cut flowers** are to be clear glass or plastic bottles and jars, or clear glass or plastic inexpensive vases (free of labels), (No artificial material of any kind is allowed including plastic, Styrofoam, artificial flowers, or foliage). Wedging is allowed. Entries must be the sole creation of the exhibitor. After flowers are conditioned, no foliage should be in water.
- Artistic arrangements – only fresh or dried, dyed or treated natural plant material may be used in artistic arrangements. No artificial material will be allowed within arrangements. Foliage, accessories, and bases may be used as desired. The arranger need not have grown flowers used in arrangements; however, arrangements must be the sole creation of the exhibitor. The committee will exercise all care but will not be responsible for loss or breakage of containers or accessories.
- Best of Show can only win once every 3 years.
- All Laramie County residents are urged to participate in the Floriculture division to make this a “Laramie County-Wide” exhibit. First time exhibitors may be given some assistance by the superintendents in preparing their entries to meet Floriculture rules. Potted plants and planters MUST have been the property of the exhibitor for at least three months before the Fair. All plants MUST be named.
- In close decisions named and/or newer varieties will be given preference for awards.
- Only judges, superintendents and clerks will be allowed in the Floriculture section during judging.
- Make sure flowers, not the accessories, are the focus of your arrangement
- Floriculture exhibits will be judged on-Cultural perfection (form, color, substance, foliage, stem, and size according to variety) - 60 points, Distinction of variety - 20 points, Condition - 20 points
- **Age as of August 1st of current year.**
